

## REMARKS

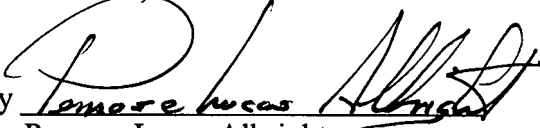

Please cancel existing Claims 55-104 without prejudice and add new Claims 105-139. New Claims 105-139 correspond to existing Claims 57 and 61-94 which, on page 4, paragraph 11, of the Official Action of February 21, 2007, were objected to as being dependent on rejected base claims, but were indicated as allowable if rewritten in independent form, including all the limitations of the base claims and any intervening claims. For the sake of simplicity, Claims 57 and 61-94 have been rewritten as new Claims 105-139 whereby they include all the limitations of Claims 57 and 61-94. Please note, however, the grammatical correction in new Claim 107 whereby "to" is changed to --with--.

In conforming Claims 105-139 to the requirements of paragraph 11, page 4, of the Official Action of February 21, 2007, the number of independent claims has been increased from three (3) to seven (7), whereby four (4) new independent claims are submitted. Accordingly, a check is submitted herewith which includes \$400.00 in view of the small entity status of the Applicant. However, if this is in error, it is requested that our Account No. 13-2000 be debited or credited as appropriate.

In view of the foregoing, it appears that the Application as amended herein is in form for allowance and action by the U.S. Patent and Trademark Office to such effect is respectfully solicited.

Respectfully submitted,

MASON, MASON & ALBRIGHT
